

ICISM2020

Call for papers

- Application of smart materials, structures and related technology
- Fundamentals of smart materials
- Intelligent systems, integrated with sensors, actuators and controllers, applied to automation and robotic systems that utilize smart material systems
- Modeling/formulation and characterization of smart actuators, sensors and smart material systems
- Smart material systems that utilize biomimetics and bioinspiration
- Smart materials utilized as sensors and actuators with applications at any scale
- Smart optical materials for modification in spectral shifts and refractive index shift
- Trends and development in composite materials, intelligent hydrogels, interfacial phenomena, phase boundaries and boundary layers of phase boundaries, control, micro- and nano-systems, electronics

Important Dates

Submission Deadline: Jul. 20, 2020
Acceptance Notification: Aug. 15, 2020
Registration Deadline: Sept. 5, 2020
Camera-Ready Paper Due: Sept. 5, 2020
Conference Date: Dec. 12-14, 2020

2020 5th International Conference on Innovative and Smart Materials

Krakow, Poland | December 12-14, 2020

General Information

2020 5th International Conference on Innovative and Smart Materials aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professional practice in innovative and smart materials. ICISM 2020 will be held in Krakow, Poland during December 12-14, 2020.

Publications

Accepted papers will be published into International Conference Proceedings, which will be indexed by EI Compendex, Scopus, etc. Selected papers will be published into International Journal of Materials Science and Engineering as a special issue, which will be indexed by Irich's Periodicals Directory, Google Scholar, Crossref, etc.

Conference committees

General Chair

Prof. John P. T. Mo, RMIT University, School of Aerospace, Mechanical and Manufacturing Engineering, Melbourne, Australia

Conference Co-chair

Prof. Wojciech Grega, AGH University of Science and Technology in Krakow, Poland

Program Chair

Assoc. Prof. Samer Alfayad, UVSQ, Paris-Saclay University 10-12 Avenue de l'Europe, 78140 Vélizy, France

International Advisory Board

Prof. Péter Korondi, Budapest University of Technology and Economics, Hungary

Prof. Dan A Allwood, Department of Materials Science and Engineering, The University of Sheffield, UK
